

**MINUTES**  
**CITY OF AUBURN TRAFFIC COMMITTEE**

**September 16, 2003 @ 8:30 A.M.**

MEMBERS PRESENT: Willick, Richardson; Fossum; Holmes; Hale  
OTHERS PRESENT: (See attached list)

1. **Public Comment** – Wayne Manning, Mikkelsen Drive, complained of speeding vehicles and the inability to use speed bumps to slow traffic. Committee will delve into this issue further at the next meeting.

**DISCUSSION ITEMS:**

2. **Consider Changing Sec. 4-4.1108/4.4.1123 of the Municipal Code Parking Restrictions From 4 Hours to 24 Hours**

Item was discussed, and will be reviewed as an Action Item next month.

3. **Signalization Problems @ Palm Avenue & Hwy. 49 – Request to Change Signal Pattern**

Fossum will bring this to the table at next month's meeting with Cal Trans, and will report back to the committee at October's meeting.

4. **Request for "No Parking" Signage for Private Driveway – Mark Smith, 100 Pinecrest**

Public Works is to draft a letter to the residents of Pinecrest Avenue explaining what permit parking entails. Mark Smith will circulate a petition in the neighborhood in support of permit parking. In light of this and other recent requests, the Traffic Committee needs to develop a city-wide policy pertaining to permit parking in residential areas.

5. **Petition to Stop Parent from Using College Way to Drop Off/Pick Up PHS Students**

James Depoy, 124 College Way, and Christopher Christman met with the committee to discuss their concerns with parking in the College Way area. The majority of the problems are related to their proximity to the high school, and include traffic congestion, speeding vehicles, double parking of vehicles, and vehicles blocking driveways. The majority of the problems seem to occur just prior to school and immediately after. Depoy and Christman requested the City post signs warning of 22500 C.V.C., "No Stopping or Standing Outside of a Vehicle in Front of Driveways", and that the school use traffic monitors in the area during high volume traffic hours. Gary Pantaleoni, PHS Vice Principal said he would issue a newsletter asking parents not to violate 22500 C.V.C. and to use other designated loading zones.

Staff will review this issue on October 14<sup>th</sup> at 8:30 A.M., and at the next Traffic Committee meeting on October 21<sup>st</sup>.

**NEXT MEETING: Tuesday, October 21, 2003 @ 8:30 A.M.**
